Good Afternoon,

On October 1, 2011, the on-line training for the Private Pay Uniform Assessment Instrument (UAI) ceased to be available on the VISSTA website. You may now access this training through the Virginia State Social Services System Knowledge Center. To access the Knowledge Center please go to the following website: https://covkc.virginia.gov/kc/login/login.asp?kc_ident=kc0001. Please follow the directions to register as a NON-STATE USER/COMMUNITY PARTNER. Once you receive confirmation of your registration you will be able to access the UAI training. Please be advised that there has been no change in the training content, only the website to access the training.

Thank you.
